

BOOKS
ARE
MAGIC

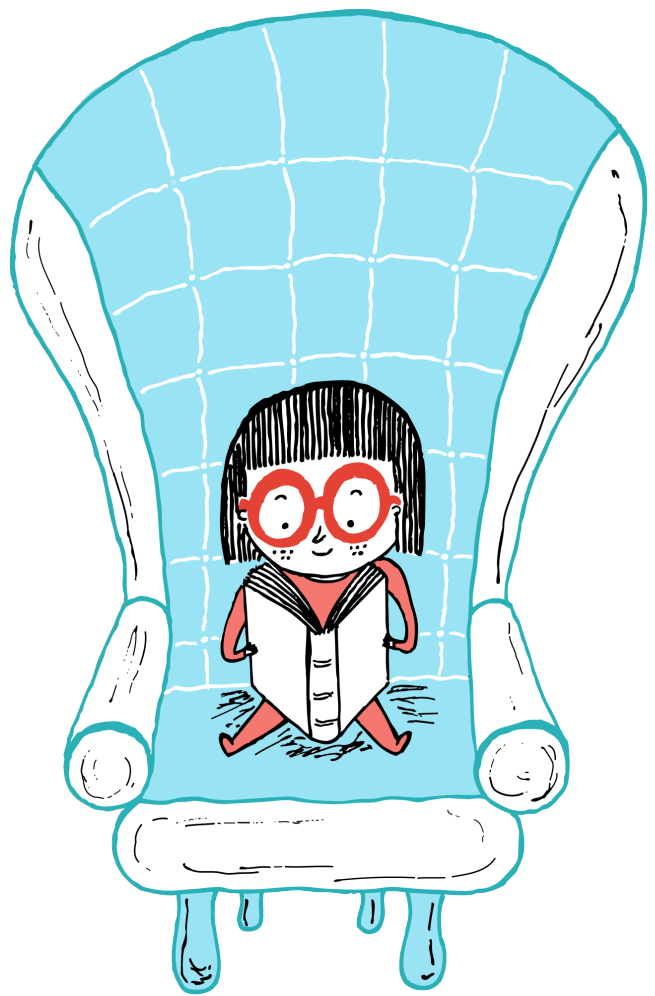

CLUB

BOOKS ARE A UNIQUELY PORTABLE MAGIC.

- Steven King -

What an **astounding** thing a book is. It's a flat object **made from a tree** with flexible parts on which are imprinted with lots of funny dark squiggles. But one glance at it and you're **inside the mind** of another person, maybe somebody dead for thousands of years. Across the millennia, an **author is speaking** clearly and silently inside your head, directly to you. Writing is perhaps the **greatest of human inventions**, binding together people who never knew each other, citizens of distant epochs. Books break the shackles of time. A book is proof that **humans are capable of working magic.**

- Carl Sagan -

I do believe
something
VERY MAGICAL
CAN HAPPEN
when you read
a good book.

- J K Rowling -
